E	2 ¹ / ₈ " (5.41 cm)	
F	22 ³ / ₄ " (57.7 cm)	
G	10" (25.4 cm)	

DESCRIPTION

The seamless welding and gleaming polished exterior, plus the stylish beveled front rim and backlit knob controls (that recess out of sight), deliver an elevated Italian design for outdoor cooking. Also, LED lighting will brilliantly illuminate the cooking area at night and last the life of the hood. Capri is available in 36" and 48" widths and features dual sets of angled stainless steel professional baffle filters for exceptional air capture. It supports a powerful 1200 CFM blower (sold separately) to handle the toughest cooking needs. The extra-deep 32" hood body can be extended to 35" with an optional 3" spacer for enhanced capture efficiency. Additionally, optional 6" and 12" duct covers, as well as a telescopic duct cover adjustable from 24" to 58", are available to accommodate virtually any ceiling height.

***Duct cover sold as kit**

FEATURES

-  Heat guard
-  Professional performance
-  Grease collectors
-  Seamless look
-  Top or Rear outlet
