Downdraft Hoods

ERS630S1, ERS636S1

Cooking Surfaces

ENT432BL, ENS436BL

PROCEDURE

From March 10 to June 30th 2022, consumers will receive an instant rebate up to \$350.00 with the purchase of any qualifying Elica product from an authorized dealer.

AG assumes 75% of the rebate cost. The retailer will contribute to the remaining 25% of the promotional discount. For instance, a \$200.00 rebate will lead the retailer to a \$150.00 credit note from AG. The consumer discount must always be calculated from the MAP.

At the end of the promotion, you will need to provide AG International with a copy of all invoices on which the promotion applied, before July 25th, 2022. The model number and the instant rebate must appear on each invoice to be applicable. The reimbursement will be done through a credit note. Any illegible and/or damaged invoice copy will automatically be rejected.

For any questions please contact your AG International inc. representative.

This offer may end at any time without notice and it cannot be combined with any other promotion
