J	7 1/4" (18.4 cm)	
K	12" (30.5 cm)	

For gas range installation: Mount this hood so that the bottom edge is at minimum 27" (68.6 cm) above the cooking surface.
For electric range installation: mount this hood so that the bottom is not less than 24" (61 cm).

DESCRIPTION

Modena offers a classic designer chimney appearance for under-cabinet installations, with a striking 9" high pyramid shape. Modena also provides high-end features not commonly found in under-cabinet hoods, including a 600 CFM blower, dimmable LED lighting, stainless steel microhole filters, and easy-to-use glass capacitive touch controls for convenience and safety. Available in 30" and 36" widths, and designed for standard ducted installation, Modena can also be installed as a recirculating system using the optional kit. Its design versatility suits almost any kitchen.

FEATURES

- Hush system
- Dim light
- Top performance
- Touch controls
- CFM reduction system
- Led light
