Dolomite 24"

Built-In / Freezer Integrated column

MEASUREMENTS

C- without panel
D -with (3/4" deep) panel
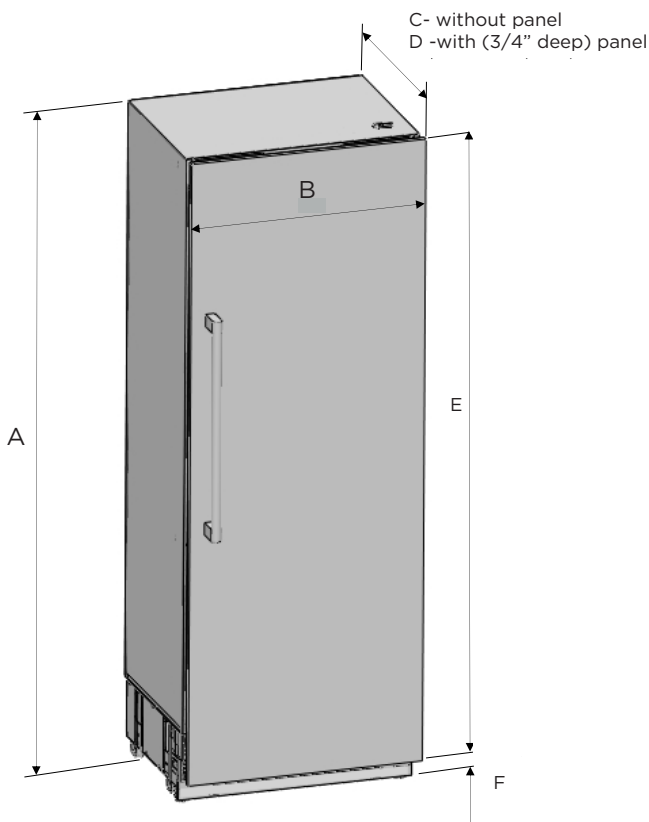

DESCRIPTION

Our 24" Built-In Freezer Column with an impressive 12.4 CuFt capacity is the ultimate blend of innovation and elegance. Designed for true integrated installation, it redefines convenience with a flush hinge opening at 90° and seamless 3D door adjustment for perfect panel alignment.

Illuminate your storage with energy-efficient LED lighting while enjoying ultra-quiet performance at just 43 dB(A). For added versatility, an automatic ice maker is available as an option. With sleek stainless-steel or custom panel-ready finishes, this freezer is more than an appliance—it's a statement of modern sophistication, offering perfect preservation and flawless integration into your kitchen design.
